A deposit is required, due upon ordering, which we will calculate depending on the amount of chicken you are ordering. The deposit for your chicken will go towards the purchase of the chicks and their feed. The remaining cost of your chicken is due on pick up and is based on the final value of the chicken once it is back from processing, less the deposit. Your chicken can be picked up fresh not frozen, the same day we bring it home, which is generally in the late evening. It can also be picked up within a couple of days, where we will keep it stored for you in our freezers. Delivery may be available the day after they are brought home, depending on location, a delivery fee may apply. If it needs to be stored at our farm for an extended period of time a holding fee may apply.

The cost per lb for our chicken is \$7.50, with the average weight of the processed chicken averaging 5–6 lb. There is no extra cost to have the chickens cut into halves or quarters.

You are welcome to visit our farm prior to ordering to see where and how your chicken will be raised and also welcome to visit and see the chickens while they are being raised.

Please fill out the upper portion of this form and return to us, we will then calculate and get back to you with the cost of your deposit. Payment can be made by cash, cheque or e-transfer. Please make cheques payable to Puddleduck Farm. E-transfers can be sent to puddleduckfarm@nexicom.net.

We ask that all order forms be returned to us by end of February.
